

Celebrate St. Patrick's Day with The Fretless

A huge thank you to the 895 folks who voted "yes" on Pentangle's Special Article. As always, we remain open to feedback from the community on our programming selections and thank you for your valued input!

Speaking of programming, our spring lineup of movies, concerts, and performances will move forward as planned, unless and until we receive direction from the State and Federal government to do otherwise in response to the COVID-19 outbreak.

In the meantime, we've taken the following proactive steps to ensure the health and safety of our patrons:

- Hand sanitizer dispensers are installed in the movie theatre, concession area, bathrooms and dressing rooms.
- Cleaning service is in the building 7 days sterilizing all surfaces including railings, doorknobs etc.
- Staff with cold symptoms are working from home or switching shifts.
- Concession staff are wearing gloves during service.

We encourage folks to continue to watch movies, attend concerts and enjoy the company of friends and family. Shared experiences are essential to our collective sense of well-being.
